

Attachment 3. Local Agency Submittals and RWMG Ranking

	Project Title	Project Sponsor	Sub-Region	Local Ranking ¹
Recommended for 2015 IRWM Grant Funding Application	Wellhead Treatment	San Simeon CSD	North Coast	11
	Upper Salinas River Basin Water Conservation/ Conjunctive Use Project (Atascadero Basin)	Templeton CSD	North County	8
	Leak Detection and Mitigation Plan	Oceano CSD	South County	8
	Groundwater Recharge Plan for the Community of Oceano	Oceano CSD	South County	6
Not Competitive for 2015 IRWM Grant	Potable Water System Distribution Reliability – Water Loop	San Simeon CSD	North Coast	6
	Phase 1: Pismo Beach Recycled Water Project	City of Pismo Beach	South County	6
	Paso Robles Groundwater Recharge Basins	Upper Salinas Las Tablas RCD	North County	4
	Agricultural Water Management	Upper Salinas Las Tablas RCD	Regional	4
	Santa Rosa Groundwater Recharge Basins	Upper Salinas Las Tablas RCD	North Coast	4
	Los Padres CCC Center – Stormwater LID Treatment Plant	Morro Bay National Estuary Program/ California Conservation Corps	North Coast	3
	Santa Rosa Creek Floodplain/ Wetland Restoration	Upper Salinas Las Tablas RCD	North Coast	2
	Jarrett Reservoir	Nacimiento Regional Water Management Advisory Committee (NRWMAC)	North County	2
	Los Osos Water Supply System (8 th Street Upper Aquifer Well and Nitrate Removal System)	Los Osos CSD	North Coast	Ineligible (1)
	Edna Valley Groundwater Basin Recharge and Steelhead Habitat Enhancement	Coastal San Luis RCD	South County	Ineligible (1)
	Atascadero Creek Hydrologic Model	Upper Salinas Las Tablas RCD	North County	Ineligible (2)
	Paso Robles Creek Sediment Sampling and Assessment	Upper Salinas Las Tablas RCD	North County	Ineligible (2)

Ineligible under 2015 IRWM Grant requirements. (1) CASGEM High or Medium priority basin which does not meet DWR's Groundwater Management Compliance eligibility criteria. (2) Non-Disadvantaged Community planning studies ineligible for implementation grant funding.

¹ List of primary criteria and associated points used to rank the local project submissions:

- “Human Right to Water” (1 point available)
- Readiness to proceed (3 points available)
- Long-term drought preparedness (3 points available)
- Direct Disadvantaged Community benefit (3 points available)
- Quantifiable benefits (3 points available)
